

Hello Friends at the Churchville Photography Club!

Thank you for inviting me to present and be a part of your meeting on Feb 3, 2025. I hope you enjoy the Zoom, for I prepared it with heart, soul, and creativity. Experimentation and theatre are such integral parts of who I am, and I truly enjoy sharing this passion through my art presentations and workshops. It was a pleasure to meet you and connect with new photo friends. Thank you for this wonderful opportunity! Please feel free to email me anytime to say hello.

Be sure to visit my website for my story, fresh art, workshops, monthly newsletter sign up, and blog with interviews I have had with some of my favorite artists.

Looking forward to our evening together!

Cheers,

Leanne Trivett S.
