

How to Login and Upload Images to the Churchville Photography Club website

Navigate in your browser to the Churchville Photography Club website:
<http://www.churchvillephoto.net/>

Click "Member Login" at the right side of the menu at the top of the website home page.

Enter your Username and Password on the Login page and click Login (or hit Enter).
(If you have forgotten your password, click the link "Lost your password?"; you will be able to have your password emailed to you. If you get really stuck, contact Janet Hickey or Dianne Rose.)

After logging in, you will be on the Club Member Info page, you will see information about the upcoming meeting at the top of the page, with instructions about how to name your images.

You will see a section titled "UPLOAD YOUR IMAGES!" The section includes a reminder about sizing your images appropriately, with links to several applications that will show you how-to-resize-your-images if you need help with that.

Click the green-button labeled "Add My files..."; a file explorer window will open and you can locate and select the image(s) you want to upload. The images should be named and sized appropriately.

 **Dec 1 – Contest – Streets/Roads and Open**
Two categories for this month's contest: Streets, Roads, Pavements, Parking-lots; and Open.

Our judge for the contest is **Henry Rowan**.

Submit only two (2) images – two in one category OR one in each.

Naming your uploaded files:

- Prefix images for STREETS... with "ST-" followed by your initials and image number and title; for example, **ST-JH1-paving.jpg**
- Prefix images for OPEN... with "OP-" followed by your initials and image number and title; for example, **OP-JH1-lights.jpg**

UPLOAD YOUR IMAGES!

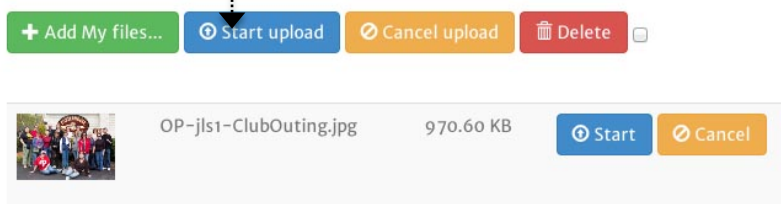

Your images should be resized to our standard sizing (1024px width, 768px height). Resizing is easy to do with any number of programs. Here are how-to-resize links to several commonly-used photo editors.

- [How to resize an image in Photoshop](#)
- [How to resize an image in Photoshop Elements](#)
- [How to resize an image in Lightroom](#)
- [How to resize an image in Picasa](#)

To upload your images:

- Click Add My files... and select your .jpg files to upload (named appropriately)
- Click Start to upload your image file(s)

Click the blue-button labeled "Start upload" to upload your images. This will take a few seconds to a minute depending on the size of your images and the speed of your internet connection.

 OP-jls1-ClubOuting.jpg 970.60 KB

You will see a small thumbnail image of each file that you uploaded. A red-button labeled "Delete" can be used to delete the image and upload a different one. If you do delete and submit another, please let Dianne Rose or Janet Hickey know.
